Hi Angela – Attached is the script and slides. The script ends at US EPA but there will be a speaker from Utah Department of Environmental Quality and then another speaker from the Department of Health.

Thanks,

These are PERFECT, thank you.  
I am booked to join you at 6 pm so that's great and yes, through to 9 pm.

Hi Angela – Thanks for reaching out. What time are you planning to be available for the call tonight? It was a while ago when we requested this service so I can't recall. We are planning to join at 6PM and then the meeting runs from 7-8:30PM with the potential for it to run until 9PM ET if there are other questions.

I've attached a PowerPoint and the script which includes the run of show. We still have a few tweaks to make before tonight but these are solid draft.

Thanks,

Good morning, Taylor.

I'm the captioner for tonight's meeting. I received the zoom link but really need some prep materials, i.e., agenda, speaker list, powerpoint to be used, etc.

The sooner, the better even if it's draft form. I have back to back gigs today and will squeeze prep in wherever I can!
